

**Atze's Corner Wines *The Bachelor*' – 2006 Shiraz (80%), Tempranillo (7%),
Cabernet Sauvignon (7%), and Grenache (6%)**

Based on the outskirts of Nuriootpa in the heart of the Barossa Valley, Andrew Kalleske of Atze's Corner wines brings you the second wine in its portfolio, 'The Bachelor'.

Bachelor Bert Kleinig, who along with his ancestors, owned and worked land at Koonunga and Ebenezer, in the Barossa's north for 83 years.

Andrew's parents, John and Barb purchased this land in 1977 knowing its potential to produce premium wine grapes and the vineyards they developed in the following years make up the main base of 'The Bachelor' blend.

Vineyard

The Bachelor' is produced by carefully selecting small sections of wine grapes from the family owned vineyards of Atze's corner wines. As every variety of wine grapes is affected by the climate differently every vintage, only the parcels of fruit of appropriate quality are selected in the blend.

Ebenezer/Koonunga - The Shiraz is the most northerly family owned vineyard in the Barossa Valley, Elevation 280 metres, an annual rainfall of 500mm, red/brown earth over deep red clays, warm to hot summer days, cool/cold nights, Shiraz, Tempranillo, and Cabernet Sauvignon, average age 15 years.

Atze's Corner/Nuriootpa –Elevation 260 metres, an annual rainfall of 280mm, brownish Sandy loam over red clay, warm/hot summer days and cool nights, Grenache 40 years old.
