

Winemaking notes *Lorna's* 2009

Warm days and cool nights in the Northern Barossa of 2009 made ripening conditions ideal for the two late ripening varieties of Cabernet Sauvignon and Petit Verdot.

These two varieties principally used by the wineries of Bordeaux, sit side by side at Ebenezer in the Barossa Valley's north, on our property previously owned by Lorna Roehr. This site was chosen specifically for its sandy clay loam top soil over a limestone and clay base, making the vines work hard for water and giving the fruit richness and depth.

Variety	component	Block name	Location	Sub Region	Clone	Planted
Cabernet Sauvignon	85%	Lorna's	Neukirch Road	Ebenezer		1998
Petit Verdot	15%	Lorna's	Neukirch Road	Ebenezer		1999

Date Harvested: 23rd April 2009

Date Pressed: 2nd May 2009

Date Bottled: 16th November 2010

Open Fermented - Hand Pump overs - Basket pressed - Hand plunged
 Maturation - 20 months in 2nd and 3rd fill French and American Oak Hogshead Barrels.
 15 Year Old vineyard
 Cases Produced - 100
 Alcohol 15.5%

Tasting Notes:

A classic blend of Cabernet Sauvignon and Petit Verdot from a quintessential Barossa Valley Cabernet vintage shows compelling aromas of cedar, dried currants and eucalypt.

Classically structured Cabernet with restrained flavours of red currant, mint and black tea; fine tannins and fresh acidity. Best served with grilled red meat, creamy and cheesy dishes.
